Hitachi	<p>Elite Partner</p> <p>The traction has been minimal, however, we are looking to re-engage as are Hitachi with CC off of the back of some engagement across a couple of accounts, one being Salesforce.com. The next opportunity to upgrade our partner status is April, whereby, we have hit the revenue gate but we just need to complete some accreditations which will get us to Platinum Status and unlock all the commercial benefits associated with this.</p>	<p>New for Germany in 2019</p> <p>UK: Jan 2020</p> <p>US: Dec 2020</p>
