

COMPUTACENTER AWARDED HP PARTNERONE EMEA CLOUD SOLUTION PARTNER OF THE YEAR

Computacenter, Europe's leading independent provider of IT infrastructure services, enabling users and their business, today announced that it has been recognized with an HP PartnerOne EMEA Cloud Solution Partner of the Year Award at the 2015 HP Global Partner Conference.

The HP PartnerOne Solution Partner of the Year for Cloud in EMEA honors Computacenter for being the first to implement a community cloud in a public sector customer.

"Computacenter is very satisfied and excited to be the HP PartnerOne Solution Partner of the Year for Cloud in EMEA", says Isabelle Roux-Buisson, Country Unit Director for Computacenter in France. "This is the recognition of the joined added value which we have been developing since many years with HP. The HP PartnerOne program allows us to benefit from a more stable, simple and profitable partnership. We have significantly invested with HP in developing our cloud approach, and

are seeing the fruits of that collaboration, through a number of customer successes which we are proud of."

"Congratulations to Computacenter on winning the HP PartnerOne Cloud Solution Partner of the Year award in EMEA" said Sue Barsamian, Senior Vice President and General Manager, Indirect Sales, HP Enterprise Group.

"Computacenter's accomplishments serve as examples of how HP distributors and solution providers can partner with HP to deliver best-in-class customer outcomes and growth through innovation, teamwork, and an overall commitment to excellence."

The HP PartnerOne Award winners were selected by a panel of HP Channel executives and presented to outstanding HP partners who have demonstrated exceptional business performance, achieved significant overall growth, and have delivered innovative solutions to customers.
